Please Hold On

Chicago

Do you love me
Do you need me
Tell me the truth tonight
Do you love me
Do you need me
Can I still call you mine?I've heard the same old story
So many times
For every lie you've told me
I'd be a rich man if I had a dimeWhy do you take me
Why do you rake me
Over your red hot coals
Why do you scold me
After you hold me
Why do you turn so coldThe lady's constant cruisin'
Explains the tears
The lonely path she's choosin'
If I didn't love her would I still be hereHold on, stay with me
Fantasies best left behind
Hold on to love and just believe
In love that won't bind you
Don't leave me behind
Stay with me babyDo you love me
Do you need me
Tell me the truth this time
Do you love me
Do you need me
Can I still call you mineSoft lights and quiet music
Forget your name
Some people try to use it
But loneliness chooses the rules to the gamePlease hold on, stay with me
Tell me what you have in mind
Please hold on, stay with me
Baby, don't you leave me behindPlease hold on, stay with me
Loneliness will leave you blind
Please hold on, stay with me
Fall in love with me this time
