Stand By Me

Jesse Winchester

When the night has come
And the land is dark
And the moon is the only light we'll seeWell, I won't be afraid
No, I won't shed a tear
Just as long as you stand by meAnd, darling, darling
Stand by me, stand by me
Stand by me, stand by me
Stand by meIf the sky that we look upon
Should tumble and fall
And the mountains
Would crumble to the seaWell, I won't, I won't cry
No I won't shed a tear
Just as long as you stand by meAnd, darling, darling
Stand by me, stand by me
Stand by me, stand by me
Stand by me
