

# By Your Side (Yard Mix 1)

Sade

You think I'd leave your side, baby  
You know me better than that  
Think I'd leave you down when you're down on your knees I wouldn't do that  
I'll tell you you're right when you're wrong  
And if only you could see into me  
Oh, when you're cold  
I'll be there, hold you tight to me  
When you're on the outside, baby, and you can't get in  
I will show you, you're so much better than you know When you're lost  
You're alone and you can't get back again  
I'll find you, darling, and I'll bring you home If you want to cry  
I am here to dry your eyes  
And in no time, you'll be fine  
You think I'd leave your side, baby  
You know me better than that  
You think I'd leave you down when you're down on your knees I wouldn't do that  
I'll tell you you're right when you're wrong  
And if only you could see into me Oh, when you're cold  
I'll be there, hold you tight to me  
Oh, when you're low  
I'll be there by your side, baby Oh, when you're cold  
I'll be there, hold you tight to me  
Oh, when you're low  
I'll be there by your side, baby
