

# Hate Me Now

Nas

Escobar Ceaser has returnedIt's been a long time, been a long time comin'

It's life or death for me now

But you know, there's no turning back now

This is what makes me, this is what I am

Feel me, let's goYou can hate me now but I won't stop now

'Cause I can't stop now, you can hate me now

But I won't stop now 'cause I can't stop now

You can hate me now, you can hate me now

Do it now, do it now, do it nowDon't hate me, hate the money I see, clothes that I buy

Ice that I wear, clothes that I try, close your eyes

Picture me rollin', sixes, money foldin'

Bitches honeys that swollen, the riches, Nas get in ya

Most critically acclaimed Pulitzer prize winner

Best storyteller thug narrator my style's greater

Model dater, big threat to a lot of you haters

Commentators ring side try watchin' my paperAlmost a decade quite impressive, most of the best is in the  
essence

For this rap shit that I stand for expanding more to the big screen

Bill Gates dreams but it seems you'd rather see me

In jail with state dreams

Want me off the scene fast but good things last

Like your favorite MC still makin' some mean cash

First rapper to bring a platinum plaque back to the projects

But you still wanna hate, be my guest, I suggestMoney is power motherfucker

I got millions of thugs on salary, bitch

Do it nowYou can hate me now but I won't stop now

'Cause I can't stop now, you can hate me now

But I won't stop now 'cause I can't stop now

You can hate me now, you can hate me now

Do it now, I told you do it now, let's goYou wanna hate me then hate me, what can I do?

But keep gettin' money, funny I was just like you

I had to hustle hard never give up until I made it

Now y'all sayin' that's a clever nigga, nothing to play with

Hate on me, I blew but I'm the same ol' G

People warn me, when you're on top there's envy

Took my niggas out the hood but you doubt on us

Sayin' we left the hood but can't get it out of usMy bad, should I step out my shoes give 'em to you?

Here's my car and my house you can live in that too

Criticize when I flow for the streets hate my dress code

Gucci this, Fendi that what you expect hoe?  
Nickname Esco', took this game to its threshold  
    Best flow I bet the whole U.S. know  
    Try to make it like you the realest but who the illest?  
Think we all know the answer to that 'cause niggas feel this right You think I'm gonna come this far  
    And let you niggas stop me now? I hate you too  
    Do it now You can hate me now but I won't stop now  
    'Cause I can't stop now, you can hate me now  
    But I won't stop now 'cause I can't stop now  
    You can hate me now, you can hate me now  
I like this, I like the way this feels, let's go It's a thin line between paper and hate  
    Friends and snakes, nine millis and thirty-eights  
    Hell or the Pearly Gates, I was destined to come  
    Predicted, blame God, He blew breath in my lungs  
    Second to none, wicked turn wives to widows  
    Shoot through satin pillows, the desolate one  
    Took a little time to claim my spot  
Chairman of the board until this game stop And I side with the Lord, ride for the cause  
    While driving, niggas shot out my doors  
    Plottin, I'm sure to catch me with they glocks to my jaw  
    Try stickin' my up but I but I flipped on these ducks  
    Instead of me, ambulances were picking them up  
    Niggas fear what they don't understand, hate what they can't conquer  
    Guess its just a theory of man became a monster, atop of the world  
    Never fallin', I'm as real as they come from day one, forever ballin'  
    C'mon Hey y'all can't see a nigga like me, never in your life  
And that's what you can't understand You can hate me now but I won't stop now  
    'Cause I can't stop now, you can hate me now  
    But I won't stop now 'cause I can't stop now  
    You can hate me now, you can hate me now  
C'mon niggas, you can hate me now but I won't stop now It ain't gon never stop, niggas
