

Lessons Learned

Wilatoma

Just another lesson learned
Wear a scar, a bore repeating
 Take a simple fateful turn
Opened up to stop the bleeding
 Feeling like you never could
 Been the disconnected frying
 Hit the vein & struck nerve
Seeing through a self that's blinding
 (Nowhere to buy in)
 (Most of us hiding)
 (Others are shining)
 You know when you find it
In your darkest hour, you strike gold
A thought clicks, not the be-all end-all
 Just another lesson learned...

Just another brick you toss
Stone the number one deceiver
 Multiply the added cost
 Easy to become a believer
 Feeling like you never could
 Been the disconnected frying
 Hit the vein & struck a nerve
Seeing through a self that's blinding
 (Nowhere to buy in)
 (Most of us hiding)
 (Others are shining)
 You know when you find it
In your darkest hour, you strike gold
A thought clicks, not the be-all end-all
 Just another lesson learned...
