

# Nail It To The Wall

Stacy Lattisaw

Don't even think about tomorrow  
Just keep tonight on your mind  
Gonna rip it up, boy  
One piece at a time My machine is on automatic  
Just pull the plug if it gets too much  
Out of control  
This love's so strong it's dangerous When I'm with you  
I can't wait to turn it loose Nail it to the wall  
If you want an education  
Come on  
Nail it to the wall  
It's the perfect situation, come on There's no secrets under the cover  
It's just a place where lovers lie  
Gonna open up, boy  
And let you look inside Don't be afraid to do some damage  
I can see you're curious  
Let's take tonight  
And turn it into something serious, oh Right here with you  
I can't wait to turn it loose Nail it to the wall  
If you want an education  
Come on  
Nail it to the wall  
It's the perfect situation, come on Nail it to the wall  
If you want an education  
Come on  
Nail it to the wall  
It's the perfect situation, come on Nail it...  
Nail it to the wall  
So, if you want an education  
Nail it to the wall [Instrumental] [Repeat til end]  
Nail it to the wall  
If you want an education  
Come on  
Nail it to the wall  
It's the perfect situation, come on
