

Brace Yourself

Brides of Destruction

You want love you fake love
You take it for granted
It slips through your fingersYou're frightened and scared of
Commitment resentment
Be honest it's all right
It's right here for your eyesIt goes fast shoots right past
The years fly pass you by
So grab it and shake it
Don't be scared to break itBreathe don't hold your breath
You might be next
So brace yourself
Live for today
It's on its way
So brace yourselfNow reach down inside you
Be quiet with your truth
Have you lived through
Your demons inside youRemember how you feel
It's fragile it's so real
You feel high you feel low
You don't know when you'll goBreathe don't hold your breath
You might be next
So brace yourself
Live for today
It's on its way
So brace yourselfSo brace yourself
There's no one else
Brace yourself
There's no one elseBreathe don't hold your breath
You might be next
So brace yourself
Live for today
It's on its way
So brace yourselfLive for today
It's on its way
So brace yourselfSo brace yourself
There's no one elseLive for today
It's on its way
So brace yourself
