

# Telephone

## Rock 'n' Roll Worship Circus

Jesus there is nothing better to do  
Than to be with You for an hour or two  
We could talk on the phone tonight  
But it might take a while to get connected right  
So would You stay with me?  
There's no other place I'd rather be  
So stay with me  
Jesus, I want nothing more  
Than to get away for a couple of days  
'Cuz lately You feel farther away  
I'll get a little closer, I can hear what You say  
So would You stay with me?  
There's no other place I'd rather be  
So stay with me  
We're sorry, but you must first dial a 1 or 0  
When calling this number  
So would You stay with me?  
There's no other place I'd rather be  
So stay with me
