After Dark

Night Drive

Wanna be in your world
Wanna know everything there is to know
Maybe i will, maybe i won't
Saw you on your bike
You were riding by with your friends
Butterflies when you come my wayAfter it gets dark
Anything you want
Anything you say i'll do
After it gets dark
Anything you want
Anything you say i'll doYou're the kind i like
You're the kind i never bore of
There's a feeling i get when i'm with you
Stopped by you house
knock on the door but you were not home
Left you a note this is what it saidAfter it gets dark
Anything you want
Anything you say i'll doAfter it gets dark
Anything you want
Anything you say i'll do
Call me over, hold me closer
Hold me closer to you
You won me over, hold me closer
Hold me so close to youAfter dark...
