

# It's Alright With Me

## New Riders of the Purple Sage

Torbert

The door is there walk right in  
We'll all join heads and look within  
How 'bout a country melody  
Mama cookin' somethin' to eat  
How 'bout a rock and roll jamboree  
You know it's alright with me  
Our ways in life have brought us here  
Ooh together now  
If we want we take a look  
We're gonna see how  
How 'bout a country melody  
Mama cookin' somethin' to eat  
How 'bout a rock and roll jamboree  
You know it's alright with me  
A simple song a sing-a-long  
Ooh-ooh yeah  
If you want you sing along  
Ooh-ooh yeah  
How 'bout a country melody  
Mama cookin' somethin' to eat  
How 'bout a rock and roll jamboree  
You know it's alright with me  
You know it's alright with me  
You know it's alright with me  
You know it's alright with me  
Ooh-ooh yeah  
Ooh-ooh yeah
