

Chariot

KIDZ BOP Kids

Staring at a maple leaf
Leaning on the mother tree
I said to myself we all lost touch
Your favorite fruit is chocolate covered cherries
And seedless watermelon ohhhh
Nothing from the ground is good enough
Body raised
It puts over me Oh chariot your golden waves
Are walking down upon this face
Oh chariot I'm singing out loud
To guide me
Give me your:
Strength Remember seeking moons of birth
Rings made mirrors of the earth
The sun was just yellow energy
It is a living promise land
Even over fields of sand
Seasons fill my mind and
Cover me
From bringing back
More than a memory Oh chariot your golden waves
Are walking down upon this face
Oh chariot I'm singing out loud
To guide me
Give me your:
Strength You'll be my vacation away from this place
You know what I want
Holding that cup,
It's pouring over the sides
Make me want to spread my arms and fly Oh chariot your golden waves
Are walking down upon this face
Oh chariot I'm singing out loud
To guide me
Give me your:
Strength Your be my vacation away from this place
You know what I want
Holding that cup,
Its Pouring over to the sides
Make me want to spread my arms and fly Oh chariot your golden waves

Are walking down upon this face
Oh chariot I'm singing out loud
To guide me
Give me your:
Strength
