Goodnight My Love

The Four Seasons

Goodnight, Goodnight, Goodnight my love
Goodnight, Goodnight, Goodnight my loveGoodnight my love, (night my love)
Pleasant dreams and sleep tight my love, (tight my love)
May tomorrow be sunny and bright
And bring you closer to me, (closer to me, closer to me)
Before you go, ('fore you go),
Please remember, I need you so, (need you so).
And this love that I have for you
Will never grow cold.If you should awake, in the still of the night
Oh. Aaaahhhh (Please have no fear)
Just close your eyes and youll realize,
that my love will watch over you dear, always.Goodnight my love, (night my love)
Pleasant dreams and sleep tight my love, (tight my love)
May tomorrow be sunny and bright
And bring you closer to me,Goodnight, Goodnight, Goodnight my love
Goooooood Niiiiight
(Goodnight, Goodnight, Goodnight my love)
Goooooood Niiiiight
(Goodnight, Goodnight, Goodnight my love)
Goooooood Niiiiight
(Goodnight, Goodnight, Goodnight my love)
