Temptation

Sebastian Bach

Into the ring, let the games begin,Â I call you out
You stomp me downÂ and make me want to screamÂ and shoutTemptation
Gets the best of me
Salvation
Rips the very heart of me
Well if you make me have to beg,Â borrow, steal?
For some affection
You know you make me feel
TemptationI try so hard
It's like I beat my head
Into the wall
I fight for your love
And spend all my time in protocolTemptation
Gets the best of me
Salvation
Rips the very heart of me, yeah
Well if you make me have to beg, borrow, steal?
For some affection
You know you make me feelYou're all that I want
All that I need
You give me your love,
No guarantees
I live to die inside you
I give you my heartÂ you can even take all of my wineI'll fight for your loveÂ and I'll wait for youÂ in blackest night
Oh yeahTemptation
Gets the best of me
Salvation
Rips the very heart of me, yeah
Temptation, if you make me have to beg, borrow, steal?
Salvation, for some affection
You know you make me feelTemptation
Gets the very best of me
Salvation and takes me downÂ again
