Goodness Gracious (The Chainsmokers Remix)

Ellie Goulding

I lost the signal and put you away
Swore upon the sun I'd save you for a rainy day
Loosen the noose and let go of the rope
I know if it's never coming back it has to goI keep callin' your name, keep callin' your name
I wanna hold you close but I never wanna feel ashamed
So I keep callin' at night, keep callin' at night
I wanna hold you close I just never I wanna hold you tightGoodness gracious I can see the stars
Callin' me out, callin' me out just to keep crawlin' into your arms
Goodness gracious I can see the stars
Callin' me out, callin' me out just to keep crawlin' into your armsI found the weakness and put it to play
Swore upon the stars I'd keep you til the night was day
Shake my head dizzy so I'll never know
You said if you're never comin' back you have to goI keep callin' your name, keep callin' your name
I wanna hold you close but I never wanna feel ashamed
So I keep callin' at night, keep callin' at night
I wanna hold you close I just never wanna hold you tightGoodness gracious I can see the stars
Callin' me out, callin' me out just to keep crawlin' into your arms
Goodness gracious I can see the stars
Callin' me out, callin' me out just to keep crawlin' into your armsAh, callin' me out just to keep crawlin' into your arms
Callin' me out just to keep crawlin' into your armsOh my goodness, here I go again
Pullin' you back to me, pullin' you back into my arms so selfishly
I don't think I understand 'cause I don't really know myself
I keep callin' you callin' you out
Callin' you out, callin' you out, callin' you outGoodness gracious I can see the stars
Callin' me out callin' me out just to keep crawlin' into your arms
Goodness gracious I can see the stars
Callin' me out callin' me out just to keep crawlin' into your armsAh, ah, callin' me out just to keep crawlin' into your arms
Ah, ah, callin' me out just to keep crawlin' into your arms
