Smoke My Dro

Lil Wyte

All I wanna do is smoke my dro, bitch
Sit on the couch get high get throwed bitch
Or in the car windows cracked gettin' loaded
I'm representin' everybody out there smokin'All I wanna do is smoke my dro, bitch
Sit on the couch get high get throwed bitch
Or in the car windows cracked gettin' loaded
I'm representin' everybody out there smokin'Roll it up, fire it up, chief it up I'm ready to get fucked up
Soon as I get control of the dro I'm ready to feel the stuff
Light green marijuana been tellin' me how it wanna
Go get up wit a swisher split the middle and bone a
I feel that I should get at least one commercial from King Edward
I been smokin' these blunts so long and look where my future's headedI feel that dro work like Wheaties to rappers that are intelligent
Smoke you one and hit the mic the rest of the shit is irrelevant
A lot of shit has happened since the last time you've heard my album
And I ain't talkin' about no acid, Oxycotton or Valiums
I'm talkin' about myself all the shit I've seen and the green I smoke
I'll be goin back to California but for now I quoteAll I wanna do is smoke my dro, bitch
Sit on the couch get high get throwed bitch
Or in the car windows cracked gettin' loaded
I'm representin' everybody out there smokin'All I wanna do is smoke my dro, bitch
Sit on the couch get high get throwed bitch
Or in the car windows cracked gettin' loaded
I'm representin' everybody out there smokin'Smoke like a Jamaican Wildly Reefer I'm cravin'
I know I should be savin' but I'm blazin' I'm blazin'
Feelin' like I'm amazin' Mary keepin' me phazin'
Sometimes I mix wit girly girly just for the tastin'
Used to scoopin' a half a onion and you be spacin'
Miami Boy with that Dade County lacin'Dirt Bag and Lil Wyte you damn right
Hypnotize minds epidemic we keep it hype
Buckle up and kiss flight I could take you to the start
Where is the bud it's in the car
Oh my God different flavors and colors
And I'm smokin' them all by the blunt motherfuckerAll I wanna do is smoke my dro, bitch
Sit on the couch get high get throwed bitch
Or in the car windows cracked gettin' loaded
I'm representin' everybody out there smokin'All I wanna do is smoke my dro, bitch
Sit on the couch get high get throwed bitch
Or in the car windows cracked gettin' loaded

I'm representin' everybody out there smokin'
