

Come And Get It (Razihel Remix)

Krewella

Pull my heart out of my chest
Train my mind so I forget
Sink your teeth into my bones
Dig me out then fill the hole
Tear me apart
Tear me apart and watch it burn
Tear me apart
Tear me apart and watch it burn
All that's left is a window to my soul
Falling faster you made my heart your home
Come and get it one more time (whoa)
If you wanna lose your mind (whoa oh)
Come and get it one more time (whoa)
If you wanna lose your mind (whoa oh)
Come and get it
If you wanna lose your mind (whoa oh)
Come and get it
If you wanna lose your mind (whoa oh)
Come and get it
Come and get it one more time (whoa)
If you wanna lose your mind (whoa oh)
Come and get it one more time (whoa)
If you wanna lose your mind (whoa oh)
Come and get it
If you wanna lose your mind (whoa oh)
Come and get it
Come and get it
Mouth to mouth I breathe you in
Swallow down your jagged sin
Let it drown inside my veins
The sweetest poison I could take
You make it an art
The way that you scar with every word
But before we reach the end
Strip me down again
Come and get it one more time (whoa)
If you wanna lose your mind (whoa oh)
Come and get it one more time (whoa)
If you wanna lose your mind (whoa oh)
Come and get it
Come and get it
If you wanna lose your mind (whoa oh)
Come and get it
If you wanna lose your mind (whoa oh)
Come and get it one more time (whoa)
If you wanna lose your mind (whoa oh)
Come and get it one more time (whoa)
If you wanna lose your mind (whoa)
Come and get it
