Could've Gone Mad

Poe

Advisory - the following lyrics contain explicit language:

I'm so glad that you decided to come
I'm so glad that you decided to comeGo ahead make yourself comfortable darlin'
I've got a proposition for you
There's a room available inside of my heart
And I hope it will be taken by youYou can bring whatever you wanna bring baby
Each and everyone of your friends
And if you want a dog or a big bullfrog
Hell, I've got room for them'Cos I'm so glad you finally decided to comeAnother day and I could've gone mad
Another day and it might've gotten bad
Another day and I might have betrayed
Every scruple I haveYou cause in me an impossible craving
No way that it will be denied
If I decided to make you my religion
I think God would be kindSo I made a wish on a million of the stars
Registered your name on a few
That way if you ever forget who you are
You can look up and see a picture of youOhh, I'm so glad you finally decided to comeAnother day and I could've gone mad
Another day and it might've gotten bad
Another day and I might have betrayed
Every scrupleI have to keep a hold of myself
Is that really you or is it someone else?
I swear it looks just like him
I wonder can he see what a state I'm in?
Like a broken bridge
Gotta swing on him just like a jungle gymFather, I've been in her house
I've experienced her, her madness
And I rejected the entire experienceAnother day and I could've gone mad
Another day and it might've gotten bad
Another day and I might have betrayed
Every scrupleAnother day and I could've gone mad
Another day and it might've gotten bad

Another day and I might have betrayed
Every scruple I have, ohhI'm so glad, so glad, so glad
I'm so glad, so glad, so gladDon't you see each other [Incomprehensible]
Don't you see each other [Incomprehensible]
