

When I Fall In Love

Tom Jones & Johnny Scott

When I fall in love

It will be forever

or I'll never fall in loveIn a restless world like this is

Love is ended before it's begun

And too many like kisses seem to cool in the warmth of the sunWhen I give my heart it will be completely

Or I'll never give my heart.

And the moment I can feel that you feel that way too.

Is when I fall in love with you

When I give my heart

It will be completely

Or I never, never give my heart

And the moment I can feel that you're gonna feel that way too. is when I fall in love

When I fall in love. With you
