

The Point Of It All

Anthony Hamilton

I can't stay away from you too long
Even if I do I'll always call
Checkin' on you make sure you're OK
Be the one to brighten up your day And the point of it all
Is I love you
You know I love you baby My days seem long
Whenever we're apart
It's like someone had
Thrown away my heart
You're a major part of my life
And no matter what the
Storm may bring
I'm fine with you, And the point of it all
Is I love you
And the reason for it all
Is I love you Oh I love
Oh I love you
Oh my love I can't stay away too long
I can't stay away from you baby
Don't wanna be without you
I need you
O why don't you stay
Around for awhile And the point of it all
And the point of it all
And the point of it all
And the point of it all
Oh oh, and the reason for it all
And the point of it all
Is that I love you
Yeah, I love you Whenever we're apart
It damn near starves my heart
And I don't ever want to be apart
