All About You

April Start

I was on my own,
I was doin' just fine,
When you came in my life.
I was into you,
You were feelin' me too,
It was all a good time.
You turned me upside-down,
Turned my world around,
Everything was alright.
Now I'm having doubts,
What's it all about?
I'm losin' my mind.
Too blind to see it,
Too in love to believe it,
What you're doin' to me.(Chorus:)
When it's all about you,
What about me?
Don't I deserve to be happy?
Spent all of my time
Givin' you mine,
That's not the way that it should be.
When it's all about you
You forget about me,
You can't change what you can't see
When it's all about you, ohh.
When it's all about you, ohh.When it's all aboutEv'rything you say,
Ev'rything you do
Has gotta be about you.
You drive a fancy car,
Like you're some big star
Now I've got a clear view.
So you say it like this,
But you do it like that -
You've got me confused.
Lookin' at yourself,
Like you're somethin' else -
I got nothin' to lose.
Come on, give me your best shot,
Give me ev'rything you've got,

It's never gonna be good enough for me.(Chorus)I'm lookin' at you,
You're lookin' at me.
I'm walkin' away,
But you don't see.
What ya got
Is all ya need
The best things in life
Aren't always free.
All you wanted was yourself,
Don't care about me or no one else.
Didn't matter to you,
Don't matter to me,
That's how it's gotta be.
When it's all about you, ohh.
When it's all about you, ohh.(Chorus)When it's all about you, ohh.
When it's all about you, ohh, ohh.
