

Know Better Now

Ramones

[CHORUS]Nobody

Can tell me

I know

I know better now

You're a kid

You're a brat

Clean up your room

Throw out the trash

When I was your age

I heard it all

Like livin' under

Your marshall law

I would think it was

For my own good

I would think it was true

Gotta be in early

Gotta go to school

They don't like my friends

I don't like those rules

I'm not a criminal

I'm not on drugs

Don't wait up for me

I'm out havin' fun

I would think it was

For my own good

I would think it was true
