

Tacos and Margaritas

Coffey Anderson

Verse

You be my Bonny Iâ€™ll be your Clyde
Youâ€™re mashed potatoes Iâ€™m chicken fried
We make a heck of team that canâ€™t be denied

You be cilantro IL be your onion
Iâ€™m kind of hungry.. for your lovin
They can never break us apart, now ainâ€™t that something

Chorus

We go together like tacos and margaritas
Slow dancing with my senorita
Kissing under the stars down in saint anton
Love makes us believe us
Nobody can ever deceive us
Forever weâ€™re together through every endeavour like .. tacos and margaritas

You be my ail IL be your bow
IL be your book you be my dough
We make a heck of a team girl donâ€™t you know
You be thelma IL be Louis
Except Iâ€™m a man, yeah you know what I mean
They can never breaks us apart
Now ainâ€™t that something

Chorus

We go together like tacos and margarita
Slow dancing with my senorita
Kissing under the stars in saint anton
Love makes us believe us
Nobody can ever deceive us
Forever weâ€™re together through every endeavour like .. tacos and margaritas

If you ever decide to leave, Oh Iâ€™m going with you
Love is worth a million words
A thousand for this picture

Chorus

We go together like tacos and margarita
Slow dancing with my senorita

Kissing under the stars down in saint anton
Love makes us believe us
Nobody can ever deceive us
Forever weâ€™re together through every endeavour like ..
Forever weâ€™re together through every endeavour like.. tacos and margaritas
