

# Back to the Start

## Anathema

They don't understand  
They don't understand  
They don't understand  
They don't understand And all I need  
Is you  
Just all I need  
Is you They don't understand  
'Cause they don't talk for me  
There ain't no master plan  
I came in to make peace  
I'm only made to suffer  
I'm only made to care  
And all the time in the world  
Gonna wish you 'til it hurts  
'Cause they don't understand  
And all I need is you  
But you don't know it's true  
And all I need is you  
You don't know it's true  
It's impossible  
Unbelievable  
Do you see it now?  
Do you see it now?  
And a lie's comin' back to the start
