

Take These Chains From My Heart

[Rosanne Cash](#)

Take these chains from my heart and set me free
You're grow cold and no longer care for me
All my faith in you is gone but the heartaches linger on
Take these chains from my heart and set me free
Take these chains from my heart and set me freeTake these tears from my eyes and let me see
Just a spark of the love that use to be
If you love somebody new then let me me find a new love too
Take these chains from my heart and set me free
Take these chains from my heart and set me freeGive my heart just a word of sympathy
Be as fair to my heart as you can be
Then if you no longer care for the love being there
Take these chains from my heart and set me free
Take these chains from my heart and set me free
