# Don't Bring Me Down (Live - Lady Croissant)

## Sia

Faint light of dawn
I'm listening to you breathing in and breathing out
Needing nothing
You're honey dipped
You are beautiful, floating clouds, soft world
I can't feel my lipsI'm going down, I don't want to change
I'm going down, going down the drain[Chorus]
Don't bring me down, I beg you
Don't bring me down, I won't let you
Don't bring me downThen all of that's annulled and I'm anyone's everyone's
We are one
Your face becomes the sun
And I'm addicted to the joy that the little things
Those little things
The little things they bringI'm going down, I don't want to change
I'm going down, going down the drain[Chorus]So now for restless mind, I could go either wayOh but, I'm going down, I don't wanna change
I'm going down, going down the drainDon't bring me down, I beg you
Don't bring me down, I won't let you
Don't bring me down, I beg you
Don't bring me down, don't let me
Don't bring me down,
Don't bring me down, I won't let you
Don't bring me down,There's nothing left to choose
Oh I fight a word, I am right here
Stay the night, protect me
