

# Young And Shameless

## PRTY H3RO

Don't need to be rich  
Don't need to be famous  
Just to have a good time (good time)  
Everybody shout it out loud  
We're young and we're shameless  
Gonna have a good time (good time)  
Get this party started right now Oo oo woah  
Oo oo woah  
Oo oo woah oh (We're young and shameless)  
Oo oo woah Oo oo woah (Come on get this party started)  
Oo oo woah oh oh oh oh Oo oo woah Oo oo woah  
Oo oo woah oh (We're young and shameless)  
Oo oo woah Oo oo woah Oo oo woah oh oh oh oh We've been waiting for a night like this  
When all the stars collide  
We can do anything  
We'll set the world on fire, oh oh oh oh We don't care about a thing they say  
We're gonna do it how we want to anyway  
We can do anything  
We'll set the world on fire 'Cuz we don't need to be rich  
Don't need to be famous  
Just to have a good time (good time)  
Everybody shout it out loud  
We're young and we're shameless  
Gonna have a good time (good time)  
Get this party started right now Oo oo woah  
Oo oo woah  
Oo oo woah oh (We're young and shameless)

Oo oo woah Oo oo woah Oo oo woah oh oh oh oh Awww yeah, not rich  
But we're not poor  
Don't need ish that we can't afford  
A good time  
And a little bit of shine  
Are the only things that we're in it for  
We came to have fun around here  
No shame bein' young around here  
We are who we think we are

Get so high that we touch the starsWe don't care about a thing they say

We're gonna do it how we want to anyway
