B2K

[Repeat: x5]
WoofPlatium status
Bringing you the heat
YeahYou were playing games on me
I'm your new enemy
Now you will never be
Your a dog
Why you go and do that
No it didn't work
You were playing game on me
Your a dogYou thought I was in the dark.(no no never me)
Baby boy from the start (you was trippin')
I was askin' questions to see if you was creepin', (for no reason) at all
I am accusing you of cheatin' no matter what you sayin so irritating so baby stop playin'[Chorus: x2]
Dog
Tryna run your game on me
You're a dog
Thinking you can cheat on me
You're a dog
Boy you know you lost my trust
You're a dog
And I know It's obviousYou were playing games on me
I'm your new enemyI heard you say you were gonna push up on her
I played along boy you think I'm stupid
I'm on point no I don't miss a damn thing
Fed up but Jhene ain't fallin'
Play I don't know but she is my dog yeah
I got my friend on you tellin' her to call
You got caught now I know that your're a dog[Chorus: x2]I'm a D-O-G from the T-U-G
It's hard tryna be the F-I double Z
I'm the Jay-z of my generation
So sick I'm every hospital's #1 patient
Girls be killin' me
With they fantasies
When all I really wanted was the G-T-Ds
Two minutes of conversation and you outta control
I'm a D-O-G ain't no change in meYou think I didn't know you
How you played me for a fool
Barking at the wrong tree

Now you turn into my enemy
I planned it all like
I tried to test[Chorus: x2]Platinum Status, 2002
Bringin' you heat
