

# Closer Now

## Keane

I believe

You might stumble and come closerI like to wake alone

To lie and turn to stone

Comfort me, come to me

I won't go onI like to walk along

To keep my head screwed on

Well I'm the best, so well done me

I won't go onBelieving, believing

I believe

You might stumble and come closer nowIf I stay then I'm alone

If I go then it will mean

Waiting on my own

It's the pattern of my life

When you care and you cannot feel

And you know that it's for real

You just leave me on my own

To live the pattern of my lifeI believe

You might stumble and come closer nowMake time to be

All this and more for me

Well you're the best so well done you

I won't go onBelieving, believing

I believe

You might turn from your love, wait aroundIf I go then I'm alone

If I stay then it will mean

Waiting on my own

It's the pattern of my life

When you care and you cannot feel

When you know that it's for real

So you leave me on my own

To live the pattern of my lifeI believe

You might turn from your love wait aroundIf I stay here I'm alone

If I go then it will mean

Waiting on my own

It's the pattern of my life

When you care and you cannot feel

When you know that it's for real

You just leave me on my own

To live the pattern of my lifeIf I stay then I'm alone

If I go then it will mean

Waiting on my own  
It's the pattern of my life  
When you care and you cannot feel  
And you know that it's for real  
So you leave me on my own  
To live the pattern of my lifeWoah,  
I believe  
You might stumble and come closer now
