Tonight I Know

Chester See

I was scared and unaware of what your touch might do
Trying to find it couldn't hide it, I was falling for you
I lose control and i don't know if I can do this
Because everytime i'm near you
Yeah, I just feel so helpless
I try to leave but something brings me closer to you

I fall in love a little more each day
And i don't have the strength to stay away so
Tonight I Know, Tonight I Know
Tonight I Know
I know oh I know,
Tonight I Know
Never been so sure about a single thing before
Tonight I Know

I'll be honest, I can't promise that this love will change
Just can't ignore it, I love you more with every single day

And you should know, That I won't go, I'm here forever
As long as time allows us, We'll always be together
Because you're the one and only love I've ever known

Tonight I Know, Tonight I Know
Tonight I Know
I know oh I Tonight I Know,
Never been so sure about a single thing before
Tonight I Know

Tonight I Know, Tonight I Know
Tonight I know
I know oh I know,
Tonight I Know
Never been so sure about a single thing before
Tonight Im Yours
