

When I Fall In Love

Various Artists & Ben Webster

When I fall in love it will be forever
Or I'll never fall in love In a restless world like this is
Love is ended before it's begun
And too many moonlight kisses
Seem to cool in the warmth of the sun When I give my heart it will be completely
Or I'll never give my heart And the moment that I feel
That you feel that way too
Is when I'll fall in love with you When I give my heart it will be forever
Or I'll never, never, never, never give my heart And the moment that I feel
That you feel the same way too
Is when I'll give my heart
When I give my heart to you
