## Beyonce

Part 1 - Yoncé[Verse 1]

See me up in the club with fifty 'leven  
girls

Posted in the back, diamond fangs in my grill  
Brooklyn brim with my eyes sitting low  
And every boy in here with me got that smoke  
And every girl in here got to look me up and down  
All on Instagram, cake by the pound  
Circulate the image every time I come around  
G's up tell me how I'm looking babe[Hook]

Boy this all for you

Just walk my way

Just tell me how it's looking babe

Just tell me how it's looking babe

I do this all for you baby

Just take aim

And tell me how it's looking babe

How it's looking babe[Verse 2]

Drop the bass main, the bass get lower

Radio say "speed it up," I just go slower

Highlight treble, pumping on the mids

The man ain't never seen a booty like this

And why you think ya keep my name rolling off ya tongue

'Cause when you wanna smash I just write another one

I sneezed on the beat and the beat got sicker

'Yoncé all on his mouth like liquor[Bridge]

'Yoncé all on his mouth like liquor

'Yoncé all on his mouth like liquor

'Yoncé all on his mouth like liquor like like liquor

Like like liquor, like like liquor

'Yoncé all on his mouth like liquor

'Yoncé all on his mouth like liquor

'Yoncé all on his mouth like liquor

'Yoncé all on his mouth like liquor like like liquor

Like like liquorPart 2 - Partition[Verse 1]

Driver roll up the partition please

Driver roll up the partition please

I don't need you seeing 'Yoncé on her knees

Took 45 minutes to get all dressed up

We ain't even gonna make it to this club  
Now my mascara running, red lipstick smudged  
Oh he so horny, yeah he want to fuck  
He popped all my buttons and he ripped my blouse  
He Monica Lewinski'ed all on my gown Oh there daddy, daddy didn't bring a towel  
Oh baby, baby better slow it down  
Took 45 minutes to get all dressed up  
And we ain't even gonna make it to this club [Hook]  
Take all of me  
I just wanna be the girl you like, girl you like  
The kind of girl you like, girl you like  
Take all of me  
I just wanna be the girl you like, girl you like  
The kinda girl you like  
Is right here with me Driver roll up the partition fast  
Driver roll up the partition fast  
Over there I swear I saw them cameras flash  
Hand prints and footprints on my glass  
Hand prints and good grips all on my ass  
Private show with the music blasting  
He like to call me Peaches when we get this nasty  
Red wine drip filth talk that trash  
Chauffeur eavesdropping trying not to crash Oh there daddy, daddy now you ripped my fur  
Oh baby, baby be sweatin' on my hair  
Took 45 minutes to get all dressed up  
And we ain't even gonna make it to this club [Hook] Hello! [Bridge]  
Est-ce que tu aimes le sexe?  
Le sexe, je veux dire l'activité physique  
Le coït, tu aimes ça?  
Tu ne t'intéresses pas au sexe?  
Les hommes pensent que les féministes détestent le sexe,  
Mais c'est une activité très stimulante et naturelle  
Que les femmes adorent [Hook] Hello!
