Save You

Simple Plan

Take a breath, I pull myself together
Just another step until I reach the door
You'll never know the way it tears me up inside to see you
I wish that I could tell you something to take it all awaySometimes I wish I could save you
And there's so many things that I want you to know
I won't give up till it's over
If it takes you forever I want you to knowWhen I hear your voice it's drowning in whispers
It's just skin and bones, it's nothing left to take
And no matter what I do I can't make you feel better
If I only I could find the answer to help me understandSometimes I wish I could save you
And there's so many things that I want you to know
I won't give up till it's over
If it takes you forever I want you to knowThat if you fall, stumble down I'll pick you up off the ground
If you lose faith in you I'll give you strength to pull through
Tell me you won't give up 'cause I'll be waiting
If you fall you know I'll be there for youIf only I could find the answer to take it all awaySometimes I wish I could save you
And there's so many things that I want you to know
I won't give up till it's over
If it takes you forever I want you to knowI wish I could save you, I want you to know
I wish I could save you
