Reckless

Olivia Newton-john

For every moment we steal
For every heartache we feel
For every last goodbye
We've ever tried
Our love gets harder still to hide
I'm doing my best
But I can't help feeling
Reckless
I, I, I'm itching to call your name
So reckless
I, I, I'm hoping you feel the same
You should be
Giving all of your love to me
Tell everyone you're mine
Step out of line recklessly
You seem to believe it's okay
To put truth aside for today
If you ever count the cost
You'll see for sure
Your lies are gonna cost you more
I'm doing my best but I can't help feeling
Reckless
I, I, I'm itching to call your name
So reckless
I, I, I'm hoping you feel the same
You should be
Giving all of your love to me
Tell everyone you're mine
Step out of line recklessly
Tell everyone you're mine
Step out of line recklessly
Tell everyone
Tell 'em you're mine
Step out of line recklessly
