## Naughty By Nature

featuring Krayzie Bone Mag[Intro: (Mag)]

Aw shit! Here we go!

Aw there go my niggas over there!

Yeah there go my thugs over there!

There go them bitches over there!

Look out for shots for my real niggas![Chorus:]

Where my thugs where my hustlers at?

Where my thugs where my hustlers at? Say what?

Where my thugs where my hustlers at?

Where my thuss where my hustlers at? Say what?

The Henny's in me, you can't change that

Crack the blunt, roll that bitch up, where my thugs at?

Where my thugs at? Show me where my thugs at

Where my thugs at? Show me where my thugs at

The Henny's in me, you can't change that

Crack the blunt, roll that bitch up, where my thugs at?

Where my thugs at? Show me where my thugs at

Where my thugs at? Show me where my thugs at[Mag]

Now why should locs give a fuck?

What? Nigga my mental's stuck

I gotta be dirty damn near all the time, strapped the fuck up

Post the fuck up, Smoked the fuck up, locced the fuck up

When the po po come we don't choke the fuck up, punk

Bitch ass niggas know they can't run with me

Real ass niggas they get it done with me

Because they want with me

Ha, it's just the low life I live

Shit forever we ride, dub sac, my homey done died

My head stays busted

All motherfuckin day, off that Henny blessed with Alhezay

Hey, what, gangstafied, bout it bout it til I die nigga

Bounce to this and if you dig it press rewind[Treach]

See now my thugs do the gangsta and the killin and stealin

While my hustlers do the bankin and the dealin for millions

My pimps be curlin, crimpin, straight pimpin and illin

My gangsta thugs on this club on the motherfuckin realin

See, some motherfuckers got loot to get

It's just some motherfuckers can't shoot for shit

So my hustlers call my thugs for the slugs for the hit

And yeah my thugs roll and shoot in the hoop like a six  
 Came from east to the west playin steelo with Beelow  
 Niggas fought drinkin corpse, too much cut on the kilos  
 So we took every jewel that he just bought from Tito  
 Then Beelow rolled him through the desert  
 Left him bleedin in Reno, without a see-note  
 A section or a solid to sell it  
 Ain't married fuck a ring, save the carats for rabbits  
 'cause a pimp and a thug and a hustler know  
 You trick your grip, the bitch got rich and you's the hoe, woah[Chorus][Krayzie Bone]  
 You see them packin niggas goin in the club, token, smokin bud  
 Ain't no security at the door so they ain't even get touched  
 Now they better tear this motherfucker up  
 If you one of them niggas, us  
 Straight to the parkin, lift them nigga what  
 We all thugged out, got on khakis, fatigues and boots  
 Just watchin all the loud talkers floss they cheese and jewels  
 Clean diamond rings and suits, we ain't hatin nigga we hungry  
 And we'll rob your ass with the quickness if you show me the money  
 Call it whatever my nigga but I call it being a thug and a hustler  
 And you gotta have the nuts to be both  
 And I gotta roll with the raws  
 And get with the steady regardless  
 Fuck, how much your bitch and how many niggas you with  
 See we the ones that like to crash the party  
 Drink all the forties up and disrespect every nigga in there  
 'cause we don't give a fuck (we don't)  
 Just 'cause I be rappin and all my records went platinum  
 Don't exactly mean I had to get rid of my Thug Mentality  
 But I know some niggas be fakin themselves  
 That's 'cause they hoes  
 And when they get caught up in confrontations they be scared as hell  
 Ain't nothin wrong with bein a thug, but y'all got to keep it real  
 So don't you get your ass on wax tellin lies about how you live  
 Now I dedicate this to my real strugglers  
 Make em feel ya, fuck makin em love ya  
 And y'all gon learn, them thugs and hustlers  
 Hustlers, hustlers
