

Cool Cat

[Collin Raye](#)

The cool cat knows when it's time to relax
And get some rest
And that cool cat likes to unwind in his room
'Cause it's the best All the bestest boys and groovy girls
Are sure of one thing they have found
That cool cat knows how to settle
Whoa, the cool cat knows how to run fast and play hard
With all his friends And that cool cat combs every inch of his yard
'Till it's time to go in and take a bath
Put his jammies on And brush those teeth just right
'Cause a cool cat knows how to say goodnight
Ain't nothin' like a bedtime story
When mom or even dad will do
And when you wake in the morning
You feel good; so good
'Cause a good night's rest is what makes you
A cool cat
