

# Love U

## Earth Tremma

Intro: you got me thinking bab . Oh ooh oh ooh oh u got me, where you want me.....

Verse: you got me thinking bout you even though you not my girl, and its crazy, the way you got me thinking about you baby. I know I had it for you but it wasn't that bad girl, don't go hazy, sometimes the way I feel for you amaze mi. Cause Everytime I see you pass my way, I just wanna hear u say, "how you doing baby" and when u turn and see you walk away, thoughts going through my head of having you officially.

Cho: so if I never told you that I love you girl. .... I love you, I really really love you Yea hey, and if never love someone else in the world, I love you , I really really love you

2nd verse : haven't been captured by love but shorty got my heart, its yours baby, as long as you don't take advantage, and destiny has brought us both together not by chance.... We're on course baby, remember that the future's what we make it, just few hours girl and I'm missing you, this ain't ordinary girl, sure no ordinary love, hey. Entertaining thoughts of me kissing u, touching u and making love, love hey.....
