

Eggshells (feat. Lianne La Havas)

Aqualung

Big black crows
They're back here again
They're pecking the ground, the ground, the ground
in the dead backyard
Big black crows
with turning black eyes
How're we gonna make you stay away, stay away, stay away
this time?
Underneath the eggshells, eggshells,
underneath the eggshells, eggshells,
guess what I
guess what I found?
Guess what I found?
Solid ground
Solid ground
Solid ground
Big black clouds
come back here again
Just hanging around and around and around
But I can't see your face no more
Underneath the eggshells, eggshells,
underneath the eggshells, eggshells,
guess what I,
guess what I found?
Underneath the eggshells,
underneath the eggshells, eggshells,
guess what I,
guess what I found?
Solid ground
Solid ground
Solid ground
Oh, solid ground, ground
Underneath the eggshells, eggshells,
underneath the eggshells, eggshells,
guess, guess what I found?
