

Mighty Wings

Cheap Trick

It's just a ball of dust,
Underneath my feet
It was around the sun
It doesn't mean that much to me

Take a chance on the edge of life
Just like all the rest
I look inside and dig it out
Because there's no points for secondd best

There's a raging fire in my heart tonight
Growin' higher and higher in my soul

There's a raging fire in the sky tonight
I want to ride on the silver dove,
Far into the night,
Til' I made you take me
Out on your mighty wings

Made you take me out on your mighty wings
Across the sky

Take me on your mighty wings
Take me on your mighty wings
Tonight

With just a little luck
A little cold blue steel
I'll cut the night like a razor blade,
Til' I feel the way I want to feel
