Vanity

Rotten Sound

[Music: Mika, Rotten Sound]
[Lyrics: Keijo]Uh!
Can I be the most beautyfull?
Is there any room...
For a perfect person?The loss of perfection!Can we find the way...
To the completion?
The completion to fill up...
And enjoy!The loss
Of perfection!Go![lead: Juha]Yeah!
I am the biggest one!
The best fucking...
Human being around!The loss of perfection!
The loss of perfection!
