

Vanity

Rotten Sound

[Music: Mika, Rotten Sound]

[Lyrics: Keijo]Uh!

Can I be the most beautyfull?

Is there any room...

For a perfect person?The loss of perfection!Can we find the way...

To the completion?

The completion to fill up...

And enjoy!The loss

Of perfection!Go![lead: Juha]Yeah!

I am the biggest one!

The best fucking...

Human being around!The loss of perfection!

The loss of perfection!
