

Enemy

Burning Borders

I have made you an enemy

I have been my own enemy

I am asking for you to forgive me for everything

If you don't you're worthy of compassion

If you do you're a better man than I am

If you don't know you're my family

Enemy, I'm sorry, oh, enemy

Family forgive me, enemy

If you don't you're worthy of compassion

If you do you're a better man than I am

If you do you're a better man than I am

Enemy, enemy, family, family
