NonStop

Andre Legacy & Riff Raff

(Riff-Raff)
Yeah, you know who it is.
Itâ€™s ya boy Riff-Raff in here,
ballin, ya know what Iâ€™m sayinâ€™
Andre Legacy
We got nikateen on the beat.
We ainâ€™t even ballin,
we just, we just, drinkin vodka on the court,
just blatantly laughing in your face
Fuckin with the kings in Hollywood

(Andre Legacy)
Itâ€™s nonstop
What the pills go pop
Girls on the bar doin body shots
Itâ€™s nonstop
When the panties drop
Backstage, wasted, hand on my cock
Itâ€™s nonstop
Fuck the cops
Iâ€™m faded cruisin down the block
Itâ€™s nonstop
I was born to rock
City to city, we blow up the spot

(Riff-Raff)
(Yo)
Just last winter, I was colder than December
Ice out beginner, rap game Lynyrd Skynyrd (Skynyrd)
Never be content, two shots of android
got me paranoid in candy pink Floyd
Suicide the watch watch looks like bulldozer
Cool calm collected put diamond chips up on my shoulder
Overexposure, pants still sagging
Pull up on you dragons in the Nancy Kerrigan station wagon

Excuse my culture, hide the vodka from the vultures
Spend fifty grand on a goldie hawn ice sculpture
Sleep by the stove, heater in the robe

Roam around the globe in a candy axel rose

(Andre Legacy)
Itâ€™s nonstop
What the pills go pop
Girls on the bar doin body shots
Itâ€™s nonstop
When the panties drop
Backstage, wasted, hand on my cock
Itâ€™s nonstop
Fuck the cops
Iâ€™m faded cruisin down the block
Itâ€™s nonstop
I was born to rock
City to city, we blow up the spot

(Andre Legacy)
Just last summer is was hotter than a motha
Gettin more baked than two birds in the oven (oven)
Bitches wanna love em,
Girls wanna leave me
It ainâ€™t an OD if the G is still breathinâ€™
Girl take it easy, you ainâ€™t my momma
Say another word you get fed to the piranha
Sorry ya honor, didnâ€™t mean to do it
But the duck kept quakin at me (quack), she jewish
Iâ€™m nonstop like a missile (missile)
Show up to your house with a loaded pistol
Itâ€™s time to get crazy in the place (Riff-Raff: Ya)
Andre Legacy, Fuck ya face

(Andre Legacy)
Itâ€™s nonstop
What the pills go pop
Girls on the bar doin body shots
Itâ€™s nonstop
When the panties drop
Backstage, wasted, hand on my cock
Itâ€™s nonstop
Fuck the cops
Iâ€™m faded cruisin down the block
Itâ€™s nonstop
I was born to rock
City to city, we blow up the spot

(Riff-Raff)
Oh yeah, we jumpin out the gym on the streets
We ba-, thatâ€™s how we ballin
J- Come down your block choppin, bleedin blocks, just open
Both doors open.
Lawâ€™s pullin us over, dey- we chuckin duces
we keep on drivin I-45â€™in on em

(Andre Legacy)
We nonstop baby
Andre Legacy
Nik Nikateen
Riff-Raff
Nonstop like a jet engine flyin first class while you sit in coach
Itâ€™s nonstop three hundred sixty-five days a year man
