Softer The Touch

Atomic Kitten

So beauty's only skin deep baby
But when you touch me I don't care
All I know when you're in deep baby
I just want to keep you there
I can't control my needing
You're all I hoped you'd be
I'm breathless from this feeling
This need's controlling me
The softer the touch the more that I love you
The sweeter the kiss the harder it hurts
The slower the hand the faster I want you
It feels so good, oh it must be bad
Oh yeah
Um, ooh
And every time I feel I'm waning
I couldn't stop to lose my head
Just one touch and it's soon beginning
You make a temple of my bed
I can't control my needing
You're all I hoped you'd be
I'm breathless from this feeling
This need's controlling me
The softer the touch the more that I love you
The sweeter the kiss the harder it hurts
The slower the hand the faster I want you
It feels so good, oh it must be bad
The softer the touch the more that I love you
The sweeter the kiss the harder it hurts
The slower the hand the faster I want you
It feels so good, oh it must be bad
Is it love, don't know just let it go
Can't say it's right too weak to fight
My gift is great when you're with me
Don't think I should but it feels so good
I can't control my needing
You're all I hoped you'd be
(Let it go)
I'm breathless from this feeling
This need's controlling me

The softer the touch the more that I love you
The sweeter the kiss the harder it hurts
The slower the hand the faster I want you
It feels so good, oh it must be bad
The softer the touch the more that I love you
The sweeter the kiss the harder it hurts
The slower the hand the faster I want you
It feels so good, oh it must be bad
The softer the touch, the softer the touch, ooh yeah
The sweeter the kiss, the sweeter the kiss, ooh yeah
The slower the hand, the slower the hand
It feels so good, oh it must be bad, must be bad
The softer the touch, yeah yeah, must be bad
The sweeter the kiss, yeah
The slower the hand, oh it hurts
It feels so good, oh it must be bad
