

# Say the Word

Paulina Rubio

I need your love to survive  
Baby, you can have it all tonight  
Cause my love is your love  
You can keep it for the rest of your life I feel home between your arms  
And the way I glow is real, you lift me up  
Just take me back to the top  
Im waiting for you cause I need your love to survive  
Baby, you can have it all tonight  
Cause my love is your love  
You can keep it for the rest of your life I need your love to survive  
Baby, you can have it all tonight  
Cause my love is your love  
You can keep it for the rest of your life Just say the word, say the word  
Say the word, say the word  
Just say the word, say the word  
Say the word, say the word You can stay a little while  
Turn the night to day  
Cause I cant get enough  
Just take me back to the top  
Im waiting for you cause I need your love to survive  
Baby, you can have it all tonight  
Cause my love is your love  
You can keep it for the rest of your life I need your love to survive  
Baby, you can have it all tonight  
Cause my love is your love  
You can keep it for the rest of your life Just say the word, say the word  
Say the word, say the word  
Just say the word, say the word  
Say the word, say the word I need your love to survive  
Baby, you can have it all tonight  
Cause my love is your love  
You can keep it for the rest of your life I need your love to survive  
Baby, you can have it all tonight  
Cause my love is your love  
You can keep it for the rest of your life I need your love to survive  
Baby, you can have it all tonight  
Cause my love is your love  
You can keep it for the rest of your life Just say the word, say the word  
Say the word, say the word

Just say the word, say the word  
Say the word, say the word
