

Could It Be Magic

Barry Manilow

Spirit move me every time I'm near you
Whirling like a cyclone in my mind
Sweet Melissa, angel of my lifetime
Answer to all answers I can find
Baby, I love you, come, come
Come into my arms
Let me know the wonder of all of you
And, baby, I want you, now, now
Now and hold on fast
Could this be the magic at last?
Lady take me
High upon a hillside
High up where the stallion meets the sun
I could love you,
Build my world around you
Never leave you 'till my life is done
Baby I love you come, come
Come into my arms
Let me know the wonder of all of you
And baby I want you
Now, now, oh now, oh now and hold on fast
Could this be the magic at last
It could be magic
Come, come on, come on
Come oh come into my arms
Let me know the wonder of all of you, all of you
Baby I want you
Now, now, oh now, oh now and hold on fast
Could this be the magic at last
Could it be magic
Come, come on, come on, come, oh come into my arms
Let me know the wonder of all of you, all of you
Baby I want you
Now, now, oh now, oh now and hold on fast
Could this be the magic at last
Could it be magic
Come, come on, come on, come, oh come into my arms
Oh, let me know the wonder of all of you, all of you
Baby I want you
Now, now, oh now, now oh now and hold on fast
Could this be the magic
