

# When Sunny Gets Blue

**Dakota Staton**

When Sunny gets blue  
Her eyes get gray and cloudy  
Then the rain begins to fall  
Pitter-patter, pitter-patter  
Love is gone, what can matter  
No sweet lover man comes to call  
When Sunny gets blue  
She breaths a sigh of sadness  
Like the wind that stirs the trees  
Wind that sets the leaves to swaying  
Like some violin  
Is playing strange  
And haunting melodies  
People used to love to hear her laugh  
See her smile  
That's how she got her name  
Since that sad affair  
She lost her smile, changed her style  
Somehow she's not the same  
Chorus:  
When Sunny gets blue  
Pretty dreams will rise up  
Where her other dreams fell through  
Hurry new love, hurry here  
To kiss away each lonely tear  
And hold her near when Sunny gets blue (Repete 3 estrofe) (Chorus)
