

Dancing In the Dark

Rihanna

Come on
I wanna dance in the dark
Come on
We're gonna light up the night
Come on
I wanna dance in the dark
Come on
We're gonna light up the nightUnder dusk, dance in the middle of the night
Can see the night skies in the mirror of your eyes
If you don't dance, make sure you got the rhythm
Make sure that your heart beats
Beats with the rhythmI wanna rock out in the middle of the night
Right under the moon, bodies glowing in the night
Nothing in between our skins but the rhythm
Make sure that your heart beats
Beats with the rhythmThe nightime is the right timeI wanna dance in the dark
And never stop
We're gonna light up the night
Like shooting stars
Whenever you hear the sound
Don't be alarmed
Oh, oh, oh, dancing in the darkI wanna dance in the dark
And never stop
We're gonna light up the night
Like shooting stars
Whenever you hear the sound
Don't be alarmed
Oh, oh, oh, dancing in the darkUnderdogs dance in the middle of the night
Out here with the stars like the creatures of the night
If you don't dance, make sure you got the rhythm
Make sure that your heart beats
Beats with the rhythmI wanna dance dance in the middle of the night
Can see the night skies in the mirror of your eyes
If you don't dance, make sure you got the rhythm
Make sure that your heart beats
Beats with the rhythmThe nightime is the right timeI wanna dance in the dark
And never stop
We're gonna light up the night
Like shooting stars

Whenever you hear the sound
Don't be alarmed
Oh, oh, oh, dancing in the darkI wanna dance in the dark
And never stop
We're gonna light up the night
Like shooting stars
Whenever you hear the sound
Don't be alarmed
Oh, oh, oh, dancing in the darkI wanna dance in the dark
Come on
We're gonna light up the night
Come on
I wanna dance in the dark
Come on
We're gonna light up the nightI wanna dance in the dark
And never stop
We're gonna light up the night
Like shooting stars
Whenever you hear the sound
Don't be alarmed
Oh, oh, oh, dancing in the darkI wanna dance in the dark
And never stop
We're gonna light up the night
Like shooting stars
Whenever you hear the sound
Don't be alarmed
Oh, oh, oh, dancing in the dark
