

# Oh! Darling (feat. Scott Bradlee)

[Haley Reinhart](#)

Oh darling, please believe me  
well i'll never do you no harm  
believe me when i tell you  
yeah, i'll never do you no harm  
Oh darling, well if you leave me  
you know i'll never make alone  
believe when i beg you  
don't ever leave me alone, oh yeah  
'cause when you told me yeah  
that you didn't need me anymore  
well you know, i nearly broke down  
and cry, when you told me yeah  
that you didn't need me anymore  
well you know i nearly fell down and cry  
Oh darling, well if you leave me  
you know i'll never make it alone  
believe me when i beg you  
don't ever leave alone  
belive me darling  
'cause when you told me yeah that  
you didn't, you didn't need me no more, well you know i nearly fell  
down and cry, when you told me yeah  
that you didn't need anymore  
well you know i  
nearly fell down and die  
Oh darling, please believe me  
you know i, i'll never let you down  
no, believe me when i tell you  
i'll never do you no harm
