# You're All I Wanna Do

## Cheap Trick

I just want to see, what it is to be
Caught in your eyes
I wish you'd talk to me
I'm not cut out to be the one lonely childI always wanted an younger sister
One who'd always be drawn to me
I'm going crazy tonight, I'm going crazy tonight'Cos you're all I wanna do, anytime
Baby, you're all I wanna do, with my time
Baby, you're all I wanna do, anytime
Baby, you're all I want, you're all I ever really wanna doWhen you stay next to me
It's not so hard to see
What's burning my eyesIt's always hard to see
When you're cut out be the, one lonely childI look at you and your younger sister
There's always something that smile on you
I know you're crazy tonight, I know you're crazy tonight'Cos you're all I wanna do, anytime
Baby, you're all I wanna do, with my time
Baby, you're all I wanna do, anytime
Baby, you're all I want, you're all I ever really wanna doI'll do you in the morning, do you up right
Don't want to stop, 'til the middle of the night
Every single minute baby while I'm thinking of you(Anytime)
I've got a thing about you
(Anytime)
I can't live without you
(Anytime)
Why why why'Cos you're all I wanna do, anytime
Baby, you're all I wanna do, with my time
Baby, you're all I wanna do, anytime
Baby, you're all I want, you're all I ever really wanna doYeah, baby, baby, baby, you're all I need
Maybe, baby, baby, I'll be thinking of you
'Cos you're all I wanna do, yeah, you're all I wanna do
Yeah, you're all I wanna do, yeah, you're all I wanna do
Yeah, you're all I wanna do, you're all I wanna do
