Still There For Me

Corbin Bleu

Lately I've been thinking about the things that we've been through
And I don't know if I'd be here if not for you
I had to take a little time to try to work things out
And you should know that I had never meant to let you down'Cause I, I wanna tell you
That I'm sorry and I, IEven when I'm not giving enough and I'm taking too much
You're still there for me
Even when I got nothing at all and I'm ready to fall
You're still there for me, there for me, there for meEven when I can't be there for you
You're always there for meSometimes I know I can be so hard to understand, it is okay
Even when I'm lost you show me who I really am
Life with me hasn't always been an easy ride
But because of you I've learned to lose my selfish pride'Cause I, I wanna tell you
That I'm sorry and I, IEven when I'm not giving enough and I'm taking too much
You're still there for me
Even when I got nothing at all and I'm ready to fall
You're still there for me, there for me, there for meEven when I can't be there for you
Oh, you're always there for meOh, no, it's love, ooh
It must be love, oh
It's gotta be real love
It's gotta be real love, real loveEven when I'm not giving enough and I'm taking too much
You're still there for me
Even when I got nothing at all and I'm ready to fall
You're still there for me, there for me, there for meEven when I can't be there for you when I can't be there
Even when I can't be there for you
You're always there for me
